

Swannanoa Valley Minute on Palestine

Swannanoa Valley Friends, our sister Meeting "up the valley", have united on a statement regarding the Palestine conflict, and are urging other Meetings in SAYMA (Southern Appalachian Yearly Meeting and Association, our regional Quaker affiliation) to consider it and see if it resonates with us.

In our 10th Month 2013 Meeting for Business, we reflected on the Minute and we found that we were not united in our view. Detailed notes of the discussion are included in the account of the business meeting, which may be found by clicking on the "minutes" tab at the top of this page, and then selecting September 2013 from the monthly list that appears in a new tab.
