

## **Concerning Palestine**

On Saturday February 28, interested Friends are invited to come to Asheville Meeting at noon for a bag lunch, then a session from 1 till 4 with Deborah First, an Israel-Palestine veteran and Jewish Friend from New York Yearly Meeting. Several members of our Peace and Social Concern Committee will be there, working with Deborah to draft a minute that speaks to the current situation in Israel-Palestine. No cost for this, and no reservation necessary. Just show up and help us if you can.
