

## “I Hold You Accountable”

Our postcard project today is based on the idea that members of the House and Senate are duty-bound to defend the Constitution even if it means defying a President of their own political party. The Peace and Earth Committee asks that your postcard/s focus on this idea, based on one or more of the actions that they have allowed the current Administration to take that fly in the face of our Quaker principles. State that you hold them accountable. Here are some possible themes to focus on.

- \* Restore **Social Security** website and the phone system.
- \* Fire the unelected bureaucrat -Canadian **Elon Musk**!
- \* Crippling the **Medicare/Medicaid** system
- \* **Cuts to CDC & NIH** (Bird Flu risks)
- \* Fire **RFK Jr.** Vaccinations save lives. We believe in Science!
- \* voter suppression
- \* transforming the executive branch into a **kakistocracy**
- \* Closing **Education Dept.**
- \* **Immigration injustice**
- \* Destroying **Indigenous Sovereignty**
- \* demonizing **DEI**
- \* **deportation** for political speech
- \* Rehire **NOAA and NWS** employees. Climate change is real and it is hurting Western North Carolina.
- \* dismantling of **environmental regulations**
- \* using Congressional funds for **extortion**

Or you might want to write about one that is not on the list.

Here are some ways to express that you hold them accountable. Or express it in your own way.

- \* **I hold you accountable.** It's your job to prevent that from happening, but so far you have failed miserably.
- \* **I hold you accountable.** I will remind you, and my fellow voters, of that fact at every opportunity.
- \* **I hold you accountable.** This would not be happening if you were true to your oath to uphold the Constitution, but you have capitulated to a bully who is rapidly and mercilessly destroying our Republic
